Principal’s Message—Welcome Back to School 2017/18

Welcome to the new school year at Amana! If you are returning, welcome back. If you are new to our school, we are glad to have you join us, and we know that you are going to enjoy being part of this vibrant school community. We expect that your children will receive an outstanding education. Your participation and encouragement is most welcome. Parents must truly be partners in their children’s education. If at any time you have questions or concerns, please talk to the teacher and/or the school administrators.

As educators, we look forward to educating your children, and appreciate that you are entrusting them in our care. This is a privilege we accept with great responsibility and continue to work towards maintaining your trust. I believe that the Al Amana staff, parents and students will work closely together in a spirit of open communication, so that we continue to grow. Our consistent effort to support the student’s endeavors, academically, socially and spiritually throughout the year, will ensure optimum success for all.

It is parents, staff and students working together with a singular purpose educational excellence for all students which will guarantee that Al Amana School continues its strong legacy of serving the community with a mission for making a difference in the lives of its students.

Please take the time to explore our website and go through the school diary to learn more about the school, our students, the staff, and opportunities for parents.

As we begin the new school year, we pray to Allah for the health and safety of all our families and staff.

Please do not hesitate to contact me with any questions or feedback.
